

“I want to work in a dimly-lit office,”
said no one ever.

Deckhands

Marine Atlantic is a federal Crown corporation that provides a vital ferry service link between Newfoundland and Labrador and mainland Canada.

At Marine Atlantic, we do so much more than get people from point A to point B. Whether it's reunions, long-awaited trips home, or the start of a new adventure, we bring people together. We couldn't bring people together every day without our own dedicated employees. Our employees embody our core values; they are safety oriented team-players who exhibit integrity and commitment, and always strive for excellence. Their understanding and commitment to our values make our employees an invaluable part of our organization.

Marine Atlantic is currently accepting applications for **Deckhands** to work onboard our vessels that operate from the ports of Port aux Basques NL and North Sydney NS year round; and Argentic NL during the summer season. These positions are permanent, spare relief.

Deckhand's duties have several components; including, but not limited to emergency responsibilities, completion of documentation, fire/security patrol, deck patrol, and lookout.

Additional Areas of Responsibility include:

- Daily checklists for fall Protection, Forklifts, Man lifts, Confined Spaces, Manual sign-offs of tools, Occupational Safety & Health manual, International Safety Management reviews and Emergency Procedures
- Daily and routine work which includes painting, cleaning, securing
- Housekeeping as it relates to the vessel's exterior decks and vehicle decks
- Rectification of Inspection items as directed by the Bosun and/or the Occupational Safety & Health Committee
- Hourly fire and security patrol rounds of the entire vessel above the vehicle decks as per vessel plan
- Continually patrolling the vehicle decks and direct any unauthorized passengers to the passenger areas
- Inspect lashings and tighten where required at sea and report it to the Officer on watch when in port
- Report any cargo shifting, fuel leaks, vehicle damages, fire hazards, lighting issues, slip trip and fall hazards
- Assist in the accomplishment of vessel functions by performing other related duties as required
