

This moment brought to you by  
**MARINE ATLANTIC**

At Marine Atlantic, we need people like you to create moments like this.

## SAP Senior Project Coordinators

At Marine Atlantic, we do so much more than get people from point A to point B. Whether it's reunions, long-awaited trips home, or the start of a new adventure, we bring people together. We couldn't bring people together every day without our own dedicated employees. Our employees embody our core values; they are safety oriented team-players who exhibit integrity and commitment, and always strive for excellence. Their understanding and commitment to our values make our employees an invaluable part of our organization.

Marine Atlantic is currently accepting applications for **Senior Project Coordinators - SAP** to work with our IT/IM Department in either our North Sydney, NS or Port aux Basques, NL location. We are recruiting for several positions, some of which will be permanent fulltime, and some will be fulltime terms.

Marine Atlantic has embarked on an exciting journey of business process renewal that will modernize our systems and processes so that we can provide a seamless, end-to-end experience that meets or exceeds expectations. We are on a mission to transform the way we do business over the next 3 to 4 years and are looking for passionate professionals with the skills we need to get us there.

Working with the IT/IM team, the Senior Project Coordinator reports directly to an IT/IM Manager. A key component of Marine Atlantic's transformation journey includes the implementation of SAP S/4 Hana, Workforce Software and SAP Successfactors. We are looking for functional and technical SAP resources to augment both the project team and our operational support model. As part of the Marine Atlantic team you will be helping the organization transform business functions such as supply chain, advanced human resources, preventative maintenance, health and safety, finance and payroll, all while keeping a focus on organizational change management.
