

Employment Opportunity

Job Title: Experience Development Officer

Location: To be determined

Hours of Work: 35 hours per week

Salary: \$42,000

Qalipu First Nation is currently accepting resumes for the position of Experience Development Officer. Qalipu First Nation is an Indian Act Band that has four (4) offices located in Corner Brook, St. George's, Glenwood and Grand Falls-Windsor. It offers programming and support in health, tourism development, education, economic development, natural resource conservation and culture and heritage.

Job Description: The Experience Development Officer will assist with the implementation of the Qalipu tourism and craft strategies and all other Indigenous visitor experience related initiatives pursued by QFN.

Responsibilities include:

- Providing direct business support to Indigenous tourism operators, craft producers and experience providers
- Event planning and coordination
- Communication and marketing assistance
- Facilitating visitor experiences, training workshops and other events
- Maintaining asset databases

Qualifications:

The preferred candidate will have relevant experience specific to tourism/craft development. They will have experience in community economic development and/or private sector tourism or craft related activities. They will also have experience working as part of a development team in a fast paced and dynamic environment.

Preferred candidate would possess post secondary education in business administration, community development or related field.

Work Environment:

Duties will predominantly be met during regular business hours. Some travel and flexibility of work schedule may be required.

Successful applications must possess a valid driver's license and have access to a private vehicle.

Apply: Please apply electronically using MS Word to: jobopportunities@qalipu.ca with subject line: **"Experience Development Officer"**.
