

PUBLIC NOTICE

FOR ALL APPLICANTS AND MEMBERS OF THE QALIPU MI'KMAQ FIRST NATION

On July 4, 2013, Canada and the Federation of Newfoundland Indians (FNI) announced a Supplemental Agreement that clarifies the process for enrolment in the Qalipu Mi'kmaq First Nation and resolves issues that emerged in the implementation of the 2008 Agreement for the Recognition of the Qalipu Mi'kmaq Band.

As a result all applications submitted between December 1, 2008, and November 30, 2012, except those previously rejected, will be reviewed. This includes applications of all those who have gained Indian status as members of the Qalipu Mi'kmaq First Nation. No new applications will be accepted.

Canada and the FNI will be issuing additional public notices to inform applicants of the enrolment process. In addition, all applicants will be sent a letter in November 2013 outlining next steps in the process.

Applicants should not provide additional information related to their applications, unless requested to do so by Canada and the FNI.
