

## Aboriginal Presentation for 54<sup>th</sup> Corner Brook Cub Pack

Corner Brook Councilor Brendan Mitchell and Western Region Vice Chief Kevin Barnes participated in an aboriginal cultural presentation with the 54<sup>th</sup> Corner Brook Cub Pack on the evening of November 18<sup>th</sup>, 2013. The Cubs were fascinated with the storytelling performed by Kevin and Brendan. They also presented practical lessons of nature and life in general, explained the use of aboriginal cultural items and performed traditional songs with the drum. At the end of the evening Kevin presented the Cubs with their Aboriginal Culture Badge. The Cubs learned much about aboriginal culture from the presentation and it was a great experience for all that participated.
