

## Addendum to Request for Proposal for Audit Services

The agreement for audit services between Qalipu Mi'kmaq First Nation Band (QMFNB) and the selected accounting firm will also include an agreement for the audit of the following related entities.

- **The Federation of Newfoundland Indians (FNI)** – a non-share capital corporation. FNI is a non-profit corporation that formerly represented nine local Indian Band Councils in Western and Central Newfoundland and Labrador. The mandate of the organization is to enhance the social, cultural, political, education and economic growth of its members, and to gain recognition by the Government of Canada. When the QMFNB was formed, FNI transferred its assets to the Band. QMFNB then assumed most of the operations of FNI.
- **MAMKA** - QMFNB and the Miawpukek First Nation (MFN) have come together under the protocols of the Aboriginal Aquatic Resource & Oceans Management (AAROM) program to form the Mi'kmaq Alsumk Mowimsikik Koqoey Association (MAMKA). The MAMKA is a non-share, non-profit corporation. The mandate of the Association is to provide advice, coordination and information management assistance to the partners for the purpose of building capacity in the area of aquatic management.
- **Qalipu Development Corporation** - an arms-length corporation tasked with identifying and creating new business ventures while managing existing for-profit, band owned enterprises. Currently, QDC manages two commercial properties and oversees the operations of Mi'kmaq Commercial Fisheries.
- **Mi'kmaq Commercial Fisheries (MCF)** consists of one major commercial fishing enterprise which harvests both crab and shrimp. MCF also leases out several smaller, inshore licenses in the Bay of Islands area.

Bids must include costs for the audit of these financial statements. Financial statements for each of these entities are available by contacting:
