

Arts and Crafts Consultations

One of the most visible signs of Mi'kmaq culture and heritage is seen in the unique creations of our artisans and crafts people. The Qalipu Cultural Foundation, with the support of the Qalipu Mi'kmaq First Nation, hopes to bring these ambassadors of our culture together at a series of consultation sessions coming up in an area near you.

If you are involved in the creation of Mi'kmaq art and crafts, or interested in this topic, we want to hear from you. Please come share your thoughts and experiences as we work toward the development of an arts and crafts strategic plan.

Where and When:

Feb 23 , Mon. – Gander, Albatross 7:00 pm

Feb 24, Tues.– Stephenville, Days Inn 7:00 pm

Feb 25 Wed.– Corner Brook, Greenwood 7:00 pm

Please note, we will also be holding our rescheduled tourism consultation in Corner Brook for members interested in Tourism and helping to develop a strategic plan in that area. Feb.26, Corner Brook, Greenwood 7:00 pm
