Are you a member of an Indigenous group in this province? Are you a high school student (Grade 9-12)? Is a career in a health care profession a possibility for you?

The **Healers of Tomorrow Gathering** is a camp normally offered every second summer since 2015 for Indigenous youth. **Due to the COVID-19 pandemic our event in 2021 will be offered virtually.**

Tuesday, September 14th, 2021, 7-8pm
Opening Ceremony (Virtual live)

September 15th - October 4th, 2021
Self-directed viewing of pre-recorded sessions

Tuesday, October 5th, 2021, 7-8pm
Closing Ceremony (Virtual live)

Don't miss this opportunity to explore a cross-section of college and university health careers including Indigenous cultures and medicines. **A handbook with details will be available soon.**

If you are interested in applying for the virtual camp please complete the [student application form](#).

Applications must be received in our office by 5:00 pm, Friday, September 3rd, 2021.
We encourage you to complete the application form online but you may also submit through Fax (709) 864-4991 addressed to the attention of **Healers of Tomorrow Gathering** c/o Dr. Carolyn Sturge Sparkes or through scanning to: Carolyn.sturge@med.mun.ca.
If you have any questions about the application form or application process please call Carolyn at (709) 864-4938.
