

About Marathon Gold

Marathon Gold Corporation (“Marathon” or the “Company”) is engaged in the exploration and development of the Valentine Gold Project (the “Project”) located in the central region of Newfoundland and Labrador. Once in production, it will be the largest gold mine in Atlantic Canada and a major employer in the province. Marathon is a public corporation (TSX:MOZ) headquartered in Toronto, Ontario with a regional office located in Grand Falls-Windsor, NL.

Additional corporate and Project information is available at www.marathon-gold.com

Marathon is currently inviting applications for a Geology Student to join our growing team as the company transitions to mine construction and ultimately mine operations.

Geology Student Competition # MG0084

Reporting to the Exploration Manager or the Senior Mine Geologist, the Geology Student will be a part of a number of active field programs, including reverse circulation (RC) drilling, prospecting, till sampling, trenching and blasthole sampling. They will be responsible for sample collection and ensuring adherence to the company’s quality assurance and quality control (QA/QC) program.

This position is located at the Project site, working on a 2 week in/2 week out rotation.

Accountabilities/Responsibilities:

- Participating in field work collecting, analyzing, and documenting rock grab, RC chip, channel and till samples.
- Directing drill and labour crew as needed.
- Surveying proposed drill targets, final drill hole locations, trench outlines and sample locations.
- Geological mapping.
- Data compilation and interpretation.
- Performing housekeeping duties as required.
- Actively participating in daily toolbox talks.
- Other duties as assigned.

Education and Experience:

- Currently enrolled in, or previously completed, a Bachelor of Science degree program in Earth Sciences.
- Experience in a remote construction or operational setting with shift/rotations is an asset.
- Experience in a Mining or similar industrial setting is considered an asset.

Skills and Knowledge:

- Team-oriented but individually driven to produce results.
- Competent with Microsoft Office and data management software.

- Good navigation skills.
- Mechanical aptitude in maintaining field equipment is an asset.
- The ability to manage heavy physical work, which is defined as maximal lifting, carrying, pushing, or pulling up to 55lbs.
- Valid driver's license and a driver's abstract.

Marathon is committed to local hiring preferences and all applications will be considered on this basis. Marathon is an equal opportunity employer and is committed to the employment of a qualified workforce which reflects the area in which it operates. We value equity and diversity and are committed to creating an inclusive workplace environment for all employees. Marathon reserves the right to hire only those candidates who are appropriately qualified for the position advertised.

Marathon will review all applications; however, we will only contact those candidates who best fit the requirements.

Interested applicants are encouraged to submit their application via email to careers@marathon-gold.com, referencing competition # MG0084.

Deadline to apply: Monday, February 20, 2023.
