

Calibre Mining Corporation is engaged in the exploration and development of the Valentine Gold Mine located in the central region of Newfoundland and Labrador. Once in production, it will be the largest gold mine in Atlantic Canada and a major employer in the province. Calibre is a public corporation (TSX:CXB) headquartered in Vancouver, British Columbia with a regional office located in Grand Falls-Windsor, NL.

Additional corporate and Project information is available at www.calibremining.com

Calibre is currently inviting applications for a **Heavy Duty Mechanic** to join our growing team as the company transitions from mine construction to mine operations.

Heavy Duty Mechanic

The Heavy Duty Mechanic is a team member of the Maintenance department and is responsible for repairs, troubleshooting, adjustments, overhauls and maintaining mobile heavy-duty equipment. This role must ensure work is performed in accordance with health, safety, and environmental and legislative requirements.

This position is located at the Project site, working on a 14 days in/14 days out rotation.

Accountabilities/Responsibilities:

- Promote and provide a safe workplace and ensure proper and immediate corrective action is taken as required.
- Repair, rebuild, overhaul, and perform routine maintenance work on mobile machinery and equipment in a safe and effective manner.
- Diagnose faults or malfunctions to determine the extent of repairs required on various types of Mobile equipment. Document all details of repairs into the MMS system.
- Troubleshoot and adjust equipment. Repair or replace defective parts, components, or systems using a variety of electronic troubleshooting tools, hand, and power tools.
- Test repaired equipment for proper performance and to ensure adherence to the manufacture's specifications with emphasis of Safe operations.
- Respond to breakdowns to troubleshoot, identify any parts required and complete any repairs or installations needed. Document parts in the work order to close the work order.
- Conduct inspection of equipment, tools site level assessment of the work area and complete all documentation.
- Operate hoisting and lifting devices to position machinery and parts during the installation and repair of machinery.
- Work with outside contractors and service providers as required.
- Actively participate in orientation and training programs.
- Complete final inspections to ensure that each work order information has been entered and completed correctly and all safety standards have been met.
- Maintain workplace areas for cleanliness and ready for use.

- Participate in continuous learning of new techniques/equipment to operate safely while maintaining productivity (training).
- Promote a positive work environment for all team members.
- Adhere to all company policies and procedures.
- Perform other related duties as assigned.

Education and Experience Required:

- Journeyperson Heavy Duty Mechanic (Red Seal) Certification.
- Minimum 1 year Journeyperson experience.
- Experience maintaining and repairing excavators, dozers, loaders, cranes, graders, haul trucks, highway vehicles, and mining equipment.
- Experience working in a remote mining or industrial environment is preferred.

Skills and Knowledge:

- Knowledge of health, safety, and environmental requirements at remote sites.
- Relevant qualifications in appropriate area of expertise.
- Ability to provide mentorship, coaching and training to an apprentice.
- Strong knowledge of the OHS, mining, and construction regulations.
- Ability to read and interpret documents such as safety rules, operating and maintenance instructions, prints, technical drawings, schematics, and procedural manuals.
- Ability to develop and maintain professional working relationships.
- Ability to work in a team setting or independently.
- A valid driver's license and driver's abstract required.

Calibre is an equal opportunity employer committed to local hiring preferences and all applications will be considered on this basis. We value equity and diversity and are committed to creating an inclusive workplace environment for all employees. Calibre reserves the right to hire only those candidates who are appropriately qualified for the position advertised.

Calibre will review all applications; however, we will only contact those candidates who best fit the requirements.
