

This moment brought to you by
MARINE ATLANTIC

At Marine Atlantic, we need people like you to create moments like this.

Electrician

At Marine Atlantic, we do so much more than get people from point A to point B. Whether it's reunions, long-awaited trips home, or the start of a new adventure, we bring people together. We couldn't bring people together every day without our own dedicated employees. Our employees embody our core values; they are a diverse, safety oriented team-players who exhibit integrity and commitment, and always strive for excellence. Their understanding and commitment to our values make our employees an invaluable part of our organization.

Marine Atlantic is currently accepting applications for an **Electrician** to work with our Facilities Management Department in Argonia, NL. **This position is for our summer season. The Argonia Terminal is open from June to September.**

Reporting to the Plant Maintenance Supervisor and Assistant Terminal Manager, the Electrician will perform tasks to support Terminal operations and to sustain the terminal onshore preventative maintenance program as outlined in the preventative maintenance job plans ensuring minimum down time with a cost-effective approach to vessel schedules and operational requirements whether planned or unplanned.

The Electrician is responsible for maintaining onshore based terminal equipment, including wharf and transfer bridges, facilities, emergency generators and site lighting. Electricians troubleshoot and repair electrical wiring, fixtures, control devices and related equipment in buildings and other structures as required and support urgent / Emergency Electrical repair work on ships, if required.
