

Not all break rooms are equal.

Marine Chief Engineer

As part of the Marine Atlantic team, you will participate in a variety of ongoing training programs and development opportunities to navigate your career and chart your course for success. We provide a positive and inclusive work culture that is dedicated to creating an environment which promotes employee growth, career development, and job satisfaction. Some benefits of working with Marine Atlantic include competitive salaries, defined benefit pension plan, comprehensive health benefit packages, and professional development opportunities. Come experience the pride of working with an organization with newly constructed and revitalized infrastructure that has positioned itself for the future.

Marine Atlantic is currently looking for **Chief Engineers** to work onboard our vessels that operate from the ports of Port aux Basques NL and North Sydney NS year round; and Argentic NL during the summer season. These positions are permanent full-time spare and relief positions that are scheduled across our fleet and each tour based on operational requirements.

Marine Atlantic is committed to a diverse, equitable and inclusive workplace. Preference may be given to members of the following under-represented groups: women, Indigenous Peoples, persons with disabilities, visible minorities and 2SLGBTQIA+ community members. If you are a member of one or more of these groups, please state to which group(s) you identify in your application.

The position of Chief Engineer is a key leadership role on our vessels that is responsible for all maintenance activities performed on board. The Chief Engineer will lead the engine room department and maintain a safe and efficient operation of all vessel equipment. This position is responsible for all engine room employees, including our electrical division, making this a critical role in leading, managing, and developing their team. The Chief Engineer plays an integral role in developing, maintaining, and promoting a strong safety culture on our vessels as well as managing related environmental programs on board.

- Previous work-related experience relative to various machinery configurations
- Marine Advanced First Aid
- Passenger Safety Management
- Specialized Passenger Safety Management

Hourly Rate: \$60.238

Marine Atlantic's Tour Pattern

There is a monthly tour pattern for regularly assigned positions of 15 days on and 15 days off, normally commencing the 1st and 15th of each month. As a new employee, you will be called for work in accordance with operational requirements; therefore, you may be required to work in intervals throughout both tours (i.e. one month) in order to obtain 15 days of work. Please note, you may be called to work in excess of 15 days per month should it be operationally required.

The Marine Atlantic Team

Our employees embody our core values; they are diverse, safety-oriented team players who exhibit integrity and commitment, and always strive for excellence. Their understanding and commitment to our values make our employees an invaluable part of our organization.

How do you become part of the team?

If you meet the listed qualifications, are interested in this opportunity and exemplify our core values, please apply online.
