

**Geologist - 1 position (Contract)
Remote - Valentine Gold Camp****Closing Date: June 12, 2020**

Are you looking for a challenge? Do you enjoy camp life? Do you want to work in a fast-paced productive environment with a team that feels like a second family?

Job Description

Marathon Gold is actively seeking a Geologist to join our team at the Valentine Gold Camp in Central Newfoundland. The Geologist will report to the Project Manager and will work on a rotational schedule.

Responsibilities

Perform the following duties with safety being the number one priority:

- Logging and sampling diamond drill core
- Lining up and shutting down drill rigs
- Data interpretation
- Prospecting
- Supervising trench excavations
- Mapping
- Assisting with geotechnical work and RTK GPS surveying
- Other duties as assigned
- This position is based on a 16/12-day rotation in camp, with workdays generally lasting 12 hours with the potential for additional overnight work required.

Qualifications

- Bachelor's Degree or higher in Geology or Earth Sciences is required
- Experience working in the exploration industry is considered an asset
- Good teamwork skills

Physical Demands

- Lift, carry, push, or pull up to 25kg/55lbs
- Climb ladders or stairs
- Stand, walk, squat, kneel or sit according to task for extended lengths of time

Additional Information

- Transport to/from site, meals and accommodation will be provided.
- Anticipated start date: July 1st, 2020

Contact

- Please email your resumé to careers@marathon-gold.com before June 12, 2020
- Ensure your resumé is in word or pdf format only
- Ensure you DO NOT include photos or other images in your resumé

Thank you for applying with Marathon Gold. However, only candidates selected for an interview will be contacted.
