This position is located at the Project site, working on a 2 week in/2 week out rotation.

Accountabilities/Responsibilities:

- Be a courageous health, safety, and environment advocate, adhere to and promote health, safety and environmental standards, policies and procedures.
- Operate Shovel and Large Loaders in a safe and appropriate manner.
- Conducts pre-trip/walk-around safety inspections and completes daily Field Level Hazard Assessments for all activities.
- Operate equipment safely and efficiently to meet production targets.
- Maintains equipment in good operating condition, reporting and logging maintenance requirements or concerns.
- Mentor, coach and train apprentices.
- Follow all safety procedures while operating equipment
- Report any required repairs or concerns to the supervisor.
- Complete production reporting and other documentation as required.
- Communicate effectively and professionally with other
- team members
- Perform work on a rotational basis (i.e. day and night shifts).
- Actively participate in orientation and training programs.
- Conduct daily inspections of the work area.
- Ensure all Trucks are loaded safely as per developed procedures
- Meet loading targets.
- Perform other duties as assigned.

Education and Experience:

- Journeyperson Heavy Equipment Operator (Provincial Blue Seal and/or National Red Seal) Certification is considered a strong asset.
- Minimum 5 years' experience operating heavy equipment in a Mining Environment.
- Specific experience working on the following is a strong asset:
 - CAT 6020/CAT 6030 Shovels
 - CAT 993/CAT 966 Loaders
- Experience working in a remote industrial environment is preferred.
- Must hold a Valid Provincial Class 5 and Traction Engine Class 8 License.

Skills and Knowledge:

- Knowledge of health, safety, and environmental requirements at remote sites.
- Excellent coordination and driving skills.
- Ability to provide mentorship, coaching and training to an apprentice.
- Strong knowledge of the OHS, mining, and construction regulations.
- Strong attention to detail, accuracy, and safety. Experience with radio communication and protocols. Excellent communication (oral/written) skills required. Strong team building skills.
- A valid driver license and a driver's abstract.

Calibre is an equal opportunity employer committed to local hiring preferences and all applications will be considered on this basis. We value equity and diversity and are committed to creating an inclusive workplace environment for all employees. Calibre reserves the right to hire only those candidates who are appropriately qualified for the position advertised.

Calibre will review all applications; however, we will only contact those candidates who best fit the requirements.
