

## Quality Inspector

### **Labrador City, NL**

#### **Who are we?**

The Cahill Group is one of the largest multi-disciplinary construction companies in Canada. Cahill is building the future of oil and gas, mining, hydro, and social infrastructure on some of the largest construction and fabrication project sites in the country.

Cahill is currently recruiting for a **Quality Inspector** to support ongoing projects with our Labrador City location. Travel and accommodations will be covered by Cahill for this contract position.

#### **What will you do?**

- Ensure all requirements of Inspection and Test Plans are followed and verified
- Verify and maintain welder qualification records
- Monitor welding and carry out final weld visual inspection
- Request and verify NDE completion
- Receive, inspect and verify material in accordance with specifications
- Prepare final documentation for handover
- Maintain traceability as required by certifying authorities
- Liaise with clients and regulatory authorities on project-related issues

#### **What will you bring?**

- Minimum CWB Level 1 Certification Required
- W47.1/59 and/or ASME B31.3 endorsement
- Experience in a similar quality role is considered an asset
- Knowledge of ASME, CSA codes, and standards is considered an asset
- Must be familiar with weld mapping, as-built drawing generation, and document turnover

*The Cahill Group is taking measures to ensure business continuity while prioritizing the health and safety of our people, companies, clients, and communities. We remain open with revised visitor protocols, physical distancing requirements, increased cleaning, staggered work hours, and remote work.*

*If you are interested in joining our growing team, please apply in confidence. Cahill is an equal opportunity organization. While we thank all applicants for their interest, only those under consideration will be contacted.*

We strive to ensure that our application process is free of any barriers, however, we respect that there may still be limitations. If you encounter any accessibility barriers or require a specific accommodation, please reach out to our Human Resources team.
