

Calibre Mining Corporation is engaged in the exploration and development of the Valentine Gold Mine located in the central region of Newfoundland and Labrador. Once in production, it will be the largest gold mine in Atlantic Canada and a major employer in the province. Calibre is a public corporation (TSX:CXB) headquartered in Vancouver, British Columbia with a regional office located in Grand Falls-Windsor, NL.

Additional corporate and Project information is available at [www.calibremining.com](http://www.calibremining.com)

Calibre is currently inviting applications for a **Plumber** to join our growing team as the company transitions from mine construction to mine operations.

## **Plumber**

Reporting to the Site Services Maintenance Supervisor, the Plumber is responsible for the maintenance and repair of the all camp and site services infrastructures.

This position is located at the Project site, working on a 14 days in/14 days out rotation.

### **Accountabilities/Responsibilities:**

- Be a courageous health, safety, and environment leader, adhere to and promote health, safety and environmental standards, policies, and procedures.
- Always establish and promote a respectful and healthy work environment.
- Promote a proactive approach to continuous improvement by reporting all Health, Safety and Environment incidents and communicating solutions.
- Participate in Health, Safety and Environment initiatives.
- Perform routine and scheduled maintenance service on plumbing systems and fixtures to site services infrastructure.
- Perform repairs to basins, toilets, flush boxes, showers, grease traps, etc.
- Work with the procurement department to keep adequate maintenance spares for the camp.
- Perform daily camp checks.
- Perform preventative maintenance on infrastructure.
- Conduct inspections and testing to ensure that work detailed on work order has been completed to meet safety standards.
- Provide feedback improvement suggestions to the supervisor and implement those that are within your ability.
- Adhere to all company policies and procedures.
- Read blueprints, drawings, and specifications to determine layout of plumbing system, water supply network and waste drainage systems.
- Cut openings in walls and floors to accommodate pipe and pipe fittings to necessitate repairs to existing systems.
- Ensure all installation repairs and maintenance meet the requirements of the appropriate codes.

- Demonstrate flexibility responding to emergencies and rapidly changing needs.
- Ability to perform other duties such as foundation, siteworks, tiling, carpentry and other trades experience is considered an asset.
- Knowledge of pumps would be considered an asset.
- Perform other duties as assigned.

### **Education and Experience Required:**

- Red Seal Journeyperson Plumbing certificate, or equivalent experience.
- A minimum of 3 years Journeyperson plumbing experience in a mining or heavy industrial environment is required.
- Experience working in a remote industrial environment is preferred.
- Red Seal Journeyperson Carpentry certificate would be considered an asset.

### **Skills and Knowledge:**

- Knowledge of health, safety, and environmental requirements at remote sites.
- Ability to mentor, coach, and train apprentices.
- Strong knowledge of the OHS, mining, and construction regulations.
- Innovation and ability to use initiative.
- Flexibility regarding work activities and type of work requirements.
- The ability to work in a multi-discipline, multi-tasking, team environment.
- Strong analytical and problem-solving skills.
- A valid driver license and a driver's abstract.
- Problem solving skills to address unexpected challenges and emergencies.

Calibre is an equal opportunity employer committed to local hiring preferences and all applications will be considered on this basis. We value equity and diversity and are committed to creating an inclusive workplace environment for all employees. Calibre reserves the right to hire only those candidates who are appropriately qualified for the position advertised.

Calibre will review all applications; however, we will only contact those candidates who best fit the requirements.
