

Job Posting

Pro-Impact Contracting Inc. is looking to potentially fill 12+ positions for Traffic Control personnel/Flagsmen/flagswomen.

Note: It is not yet confirmed whether this will be union or non-union work. Hopefully we will get confirmation on that in the next few days.

Location: Various Locations, Maritime Link Project (Western NL)

Hours: Full time (including days, evenings, weekends, and may include a rotating schedule)

Rate of Pay: TBD

Work Start Date: TBD

Job Requirements: Be a listed member of the Qalipu First Nation, valid Traffic Control Certification, some of the positions will require a valid Class 5 drivers license.

Previous construction experience an asset. High school diploma/post secondary diploma an asset but not required. Other courses such as First Aid, Construction Safety, WHMIS, etc. would be an asset however, not required.

We encourage women to apply as well as new graduates looking to gain employment experience.
