

This moment brought to you by
MARINE ATLANTIC

At Marine Atlantic, we need people like you to create moments like this.

Network Administrator

At Marine Atlantic, we do so much more than get people from point A to point B. Whether it's reunions, long-awaited trips home, or the start of a new adventure, we bring people together. We couldn't bring people together every day without our own dedicated employees. Our employees embody our core values; they are safety oriented team-players who exhibit integrity and commitment, and always strive for excellence. Their understanding and commitment to our values make our employees an invaluable part of our organization.

Marine Atlantic is currently looking for a **Network Administrator** to work with our Information Technology / Information Management (IT/IM) department located in Port aux Basques, Newfoundland.

The IT/IM Division is charged with all Information Technology and Information Management functions for Marine Atlantic. The IM Department is critical to ensuring that corporate information is appropriately managed and protected, as well as ensuring Marine Atlantic's management team has the information it needs to run the organization effectively and efficiently.

The Network Administrator, reporting directly to the Manager of IT Support is responsible for configuration, service & support of the Wide Area Network (WAN), Local Area Networks (LAN), Wireless Fidelity (WiFi) Access Points for the entire Marine Atlantic IT infrastructure, and Satellite Communications.
