**NOTICE TO APPLICANTS**

If you identify with an Indigenous group that is not recognized under the *Indian Act* (non-status), you may wish to consult with that group before proceeding with an application for registration for yourself, a minor child or dependent adult. Registration under the *Indian Act* in Canada may affect your entitlement to join or be recognized by some non-status groups and your entitlement to the programs and services they may offer. The Indian Registrar does not have the power to remove a name from the Indian Register if the individual has been correctly registered, even when the individual wishes to deregister.

The Secure Certificate of Indian Status (SCIS) remains at all times the property of the Government of Canada and must only be used by the person in whose name it is issued. Any false or misleading statement with respect to this application and any supporting document, including the concealment of any material fact, selling or permitting the use of your SCIS by any other individual or agency may lead to criminal prosecution, and is cause for revocation of your SCIS and refusal to issue a SCIS in the future. Any false or misleading statement, including the concealment of any material fact may lead to a review of your entitlement to registration and revocation of your registered Indian status.
