

This moment brought to you by
MARINE ATLANTIC

At Marine Atlantic, we need people like you to create moments like this.

Carpenters

At Marine Atlantic, we do so much more than get people from point A to point B. Whether it's reunions, long-awaited trips home, or the start of a new adventure, we bring people together. We couldn't bring people together every day without our own dedicated employees. Our employees embody our core values; they are safety-oriented team-players who exhibit integrity and commitment, and always strive for excellence. Their understanding and commitment to our values make our employees an invaluable part of our organization.

Marine Atlantic is currently accepting applications for **Carpenters** to work with our Facilities Management Department in Port aux Basques, NL. **This is a term position and is expected to be up to 3 months duration with a possibility of an extension.**

Reporting to the Plant Maintenance Supervisor, Carpenters will perform tasks to sustain the terminal onshore preventative maintenance program as outlined in the preventative maintenance job plans, ensuring minimum down time with a cost-effective approach to vessel schedules and operational requirements whether planned or unplanned.

Carpenters are responsible for maintaining onshore based terminal equipment, including facilities and grounds, fencing, ticket booths and asphalt. Carpenters construct, erect, install, maintain and repair structures and components of structures. Such employees must adhere to prescribed safety procedures, interpret drawings, obtain cost estimates, make sketches, work at heights, order required materials, and complete daily time reports.

Additional Key Areas of Responsibility

- Read and interpret blueprints, drawings and sketches to determine specifications and calculate requirements.
- Prepare layouts in conformance with building codes, using measuring tools.
- Measure, cut, shape, assemble and join construction materials.
- Erect scaffolding.
- Prepare cost estimates.
- Execute tasks as outlined in preventive maintenance job plans.
- Fueling of vessels and offloading fuel from bulk carriers/tankers.
- Operates the Loading Ramps as required.
- Assist in the accomplishment of company objectives by performing other related duties as required.
